2. I understand that “Daily Wag” is closed everyday from 12:30pm until 2:30pm; this gives the dogs a much-needed rest period without interruption. I also understand that “Daily Wag” does not accept or release dogs during this time period. **Initial**_____
3. I understand that between the hours of 9:30pm and 6:00am there is no one in the building. (All dogs are kept in safe and secure kennels in a climate controlled environment, “Daily Wag” also is protected by a fire alarm system, security system and video cameras.) **Initial**_____
4. I understand that overnight boarding prices cannot be adjusted according to drop-off/pick-up times; “Daily Wag” charges a flat overnight boarding rate. **Initial**_____
5. I understand that if I choose to board multiple dogs in the same kennel together (same owner only), “Daily Wag” will not be responsible for any injuries sustained between the dogs. **Initial**_____
